Aguas Tranquilas B&B – Packing & Arrival Information

Breakfast is self-service, we provide all you need and place it in your living room/fridge the night before. This way you can take breakfast whenever you want and make a cup of tea whenever you feel like it! Please put any dirty plates and cups in the kitchen and we will wash them.

There is a supermarket within 5 mins walk so if you want to buy a few things to make a snack or sandwiches for lunch you can buy them and keep them in your fridge. Plates, knives etc are available in your room so that you can whip up a simple snack.

Evening meals are available on request; please let us know in the morning if you would like an evening meal. See the meals document for further information.

There are 3 restaurants within walking distance (Italian & Spanish), plus 2 cafés and 2 bars. Los Belones is only a 5 mins drive (taxis can be arranged) where there are a large number of different restaurants including Spanish, English, Chinese, Thai, Italian etc. Cabo de Palos is just 10 mins drive and also has a large choice of restaurants and bars.

We have a terrace and garden that you are welcome to use. There are sun loungers and chairs, if you want to sun bathe, read a book or eat your breakfast outside – feel free! There is also an outside toilet and shower which are very handy if you are coming off the beach and don't want to come inside with sandy feet.

You are welcome to use our bikes free of charge – we do however ask for a 50 euro deposit for each bike. We have a sauna and hot tub which are available for your use at an additional charge of 10 euros for 1 hour. We will need prior notice so that we can ensure they are heated up for you.

Free Wifi is available; we also have a large DVD collection which you are welcome to use.

Whenever you leave the house please ensure all electrical appliances are turned off, the doors and gate are locked securely. The front door has a high security lock and requires 2 complete turns of the key to lock and unlock.

There are some tourist information brochures for activities, beaches, restaurants etc in your living room. Please feel free to use this as a resource and return the information after you have used it. Also if you can add information or brochures and maps that would be appreciated.

Check-in and check-out time is very flexible! This really depends upon your flight times and our work patterns.

We hope you have a great holiday

Lesley and Julian
