### Arrival & Departure Times

To allow the house to be properly cleaned between guests please:

Do not arrive before 4pm

Depart by 11am

If you wish to book the house for the whole of your arrival or departure day you can book this, for further information please see the extra services section in our Booking Conditions document. Early arrival or late departure times must be booked in advance and are not always available due to other bookings

### Baby Items

Cots, highchairs and many other items are available for rent from the following company:

<http://www.kideasnurserieshire.com/>. They will deliver the equipment to the house or meet you at the airport.

### Travel Information & Things to Do

Murcia airport (RMU) is only 30 minutes away and Alicante (ALC) airport is just over 1 hour. Both airports have good motorway links and it is easy to find the property (detailed directions will be provided).

We would recommend hiring a car as there is a lot to see and do in the area however airport transfers and taxi trips can be organised if you would prefer. Please see the following link for information on what to do in the Murcia area <http://www.watersportsinspain.com/things-to-do.html>

Detailed information and directions are provided at the house regarding how to make the most of your visit including places of interest and equipment hire for many activities.

### Parking

There is space to park your car outside the house. We have a reserved parking space on the road outside our gates (Vado Permanente) we pay an annual fee to the council for this.
